

“The Avengers: Reading Saves the World”

Books and Beyond, Little Flower School’s annual reading incentive program is starting soon. This program is designed to motivate students to read. Our theme this year will be **“The Avengers: Reading Saves the World.”** We challenge all students to participate. As before, books read as class assignments **will** count towards the super hero program. However, it is our hope that students will scan the world to read outside of school, too.

The program will begin on Thursday, November 1st.

As each super hero avenges one of the five global threats, his/her progress will be displayed on “The Avengers: Reading Saves the World” bulletin board. Each grade will have its own game piece. After reading the required number of books or pages, Avengers will receive incentives (see the back of this paper). For grades K-2, 10 books must be read in order to fight the next global threat. For grades 3-5, 200 pages must be read in order to fight the next global threat. Super heroes who avenge at least five global threats by January 18th will be recognized with completion certificates at the awards celebration at the S.H.I.E.L.D. Agency.

Avengers are encouraged to use their super powers in the LFS library. Therefore, each month we will choose two special authors: one for primary grades and one for intermediate grades. Avengers who check out one of these books will receive a special incentive for each book they have read. Show your book to a S.H.I.E.L.D. Agent, Mrs. Swezey or Miss Katherine, to receive the special surprise.

Some global threats have deadlines to meet in order to receive prizes:

- Global Threat 2 must be avenged by December 7th to earn a “Costume Pass” for December 14th.
- Global Threat 5 must be avenged by January 18th to earn a “S.H.I.E.L.D Agency Pass” for the awards celebration on Wednesday, February 6th.

Please feel free to contact us at balbert@littleflowerschoolinv.org if you have any questions. Read-A-Thon Record Sheets can be downloaded from the school website or ask your teacher. Avengers, use your super powers to save the world!!!

Sincerely,

Betsy Albert and Lori Schweinfurt

S.H.I.E.L.D. Agents

K - 5th Prizes

Global Threat 1: **DIY Super Hero Mask**

Global Threat 2: **"Costume Pass"**

Dress as your favorite super hero or wear free dress. Global Threat 2 must be avenged by December 7th. Free dress day will be on December 14th.
