

“The Little Flower Grand Prix: Accelerate to Read”

Books and Beyond, Little Flower School’s annual reading incentive program is starting soon. This program is designed to motivate students to read. Middle School students will race for incentives only available to drivers who work beyond the double doors. Your theme this year will be “The Little Flower Grand Prix: Accelerate to Read.” We challenge all students to participate. Mrs. Palatty will assign students in each grade a novel to finish by the end of 2nd quarter. This required reading **will** count towards the racing season. Further, if all students in your homeroom read at least one additional novel with 200 pages or more, you and your class will celebrate with a pizza party on January 31st.

The racing season will begin on Wednesday, November 1st.

As each driver moves through the three qualifying rounds, his/her progress will be displayed on “The Little Flower Grand Prix: Accelerate to Read” bulletin board in the middle school hall. Each homeroom will have its own track. After reading the required number of pages, drivers will receive incentives (see the back of this paper).

Students in grades 6-8 must be aware of the following deadlines:

- Round 1 (first third) must be recorded by November 17th.
- Round 2 (second third) must be recorded by December 8th.
- Round 3 (final third) must be recorded by January 19th.
- The Bonus Round (additional 200-page novel) must be recorded by January 19th to earn a pass to “Grand Stand Concessions” on Wednesday, January 31st.

Please feel free to contact us at balbert@littleflowerschoolnv.org if you have any questions. Read-A-Thon Record Sheets can be downloaded from the school website or ask your car owner. Drivers, start your engines!!!

Sincerely,
